Initialed (Proposer) _____

Initialed (Consenter) _____

1. *Whereas* both Proposer and Consenter recognize that alternatives a) and b) are likely significantly to disrupt any activities consented to under this agreement;

Therefore, the Proposer and the Consenter further agree that should the disruption of agreed activities, caused by the making of a further agreement (under a) above) or the retroactive amendment of this agreement (under b) above), result in a loss of desire to continue the activities herein consented to, consent for those activities consented to herein may/may not* be withdrawn by the verbal statement of one of the parties to this agreement.

That such an incident shall be regarded as an assault and the burden of proof to the contrary shall fall on the male party to demonstrate to the satisfaction of the female party that the incident was accidental, and acceptance of such a demonstration shall be taken as implying retroactive affirmative consent;

That such an incident shall be regarded as an accident, and retroactive affirmative consent will be assumed.

Failure to Perform

Whereas consent to participate in sexual activities does not guarantee ability to perform those activities, *Therefore*, failure to perform such as acts as consented to under this agreement for reasons including, but not limited to physical, psychological or emotional impairment, shall not be considered a violation of this agreement; and both the Proposer and the Consenter waive any right to legal redress for such failure to perform.
