## DIRECT DEPOSIT AUTHORIZATION FORM

## How to switch your direct deposit(s) to U.S. Bank:

- For payroll checks Contact your company's Human Resources department for instructions on updating your direct deposit account information.
- For Social Security checks Contact your local Social Security Administrative office.

If your company does not have a process in place for updating your direct deposit account information, please follow these steps:

- 1. Complete this form.
- 2. Attach a new U.S. Bank check to the completed form and write "VOID" across the front. Do not sign the check.
- 3. Submit to your employer.

## Follow-up on the switch:

- Call your company's Human Resources department to check on the progress of your request.
- 2. Login to U.S. Bank Internet Banking to verify your direct deposits are being deposited correctly.

Remember, it can take several payroll cycles for changes to take effect!

Thank you for making the switch to US!
